

Hong Kong Marine Department Visited Greathorse office

On July 6th, The President of Greathorse, Mr. Henry Chiang met the Delegation from Marine Department of Hong Kong Special Administration Region in Shanghai. Mr. Chiang highly appreciated Hong Kong Marine Department for its great supports to Greathorse fleet, and sincerely welcome Hong Kong Marine Department to continue to provide instruction and assistance for development of Greathorse fleet.

Hong Kong Marine Department fully affirmed the ship condition of 35 vessels under control by Greathorse management team, presented the newly effective rules and regulations; The Delegation said it would continue to provide quality services for the clients, and would try their best to serve the ship register for 6 stainless steel chemical tankers in Japan, which to be delivered to Greathorse within one and a half years.
