

The Third 25,000DWT Stainless Steel Chemical Tanker Joined Greathorse Chemical Fleet

On December 5, 2017, Greathorse Chemical Ltd. took delivery of the third 25,000dwt stainless steel chemical tanker built by Fukuoka Shipbuilding Co., Ltd. at Nagasaki Works. The vessel named “Tiger Glory” is a sister ship of the first 25,000DWT chemical tanker delivered in this September.
